Join Flip the West's rapid-response postcard campaign as we write to registered Democrats and left-leaning Independents living in the California districts of Sedition Caucus members, including Kevin McCarthy, Devin Nunes, Mike Garcia, Doug LaMalfa, Jay Obernolte, Ken Calvert, and Darrell Issa. We're letting voters know their Congressman voted to throw out millions of legally cast votes and overturn another state's election, and that we intend to vote them out of office in 2022.

**VIGIL in SANTA FE and LOS ALAMOS**

**(From member Greg Corning)**

The UN Treaty on the Prohibition of Nuclear weapons will go into effect on the 22nd of January, this Friday. Our VFP (Veterans For Peace) chapter will hold a vigil from noon to 1 p.m. on that day at the southeast corner of St. Francis and Cerrillos. We'll have new banners relevant to the treaty.

After 1 p.m., we will drive up to Los Alamos and hold a vigil at Ashley Pond. I imagine that will start at about 2 p.m.

Would you please let your network know and encourage everyone to join us? People may bring their own signs - relevant to nuclear weapons and national laboratory weapons programs.

I suppose people from Taos might just want to meet us in Los Alamos, it being slightly closer to Taos than is Santa Fe. That's fine.

Thank you!

...New Mexico Representative Yvette Harrell. She has committed treason, secession, and is a traitor to New Mexico and the USA. She does not speak for the people. She is a minion of MAGA.

We also want a conversation here for voter registration so that this district no longer has an issue like this.
