We Dumped Trump; Now We Flip the Senate

Vote Forward is coordinating with GA orgs and the Senate campaigns to create different campaigns depending on what voters did in the Nov 3 general election, thus the delay. There will likely be segmented campaigns for voter registration, absentee ballot requests, and the usual ask to cast a ballot. We were told that they will be starting on or after Nov 17 so watch for a VF email or keep checking the website.

Postcards to Voters already has GA campaigns underway to encourage mail in ballots so you can get started as soon as you have supplies .

Call, text or email if you have questions or help is needed. Hope to see you on Friday via Zoom: <https://us02web.zoom.us/j/87413840194>

See below for more info and links.

Together we can flip the Senate and give democracy a chance!

All the best,

Marjorie

The double senate runoff in Georgia on January 5 will determine control of the U.S. Senate and the future of our country! It will be a tough and expensive election.
